Connected Services.

Service from a single source.

Good. Better. Together.

Our service promise.

The Weiss und Vötsch Service Team has partnered with customers to provide an after-sales service for two decades. Our customers value our expert availability at short notice, as well as predictable long-term reliability. In the future, we will also join forces in the administrative area. From January 2016, the Weiss und Vötsch Service Team will operate exclusively under the name Weiss Umwelttechnik GmbH.

You will continue to retain your personal contacts - after all, it is only the name that is changing. Because we want you to be satisfied customers, now and in the future.

For information about the new company name and the relevant details, please refer to this brochure.

Everything stays better.

In service, we make it Weiss.

Everything remains the same, only the name is changing. From 1 January 2016, please address all service requests and orders exclusively to Weiss Umwelttechnik GmbH. You can find the new details for your business correspondence within the following table.
